

THE BEST CASE SCENARIO FOR THE WORST CASE SCENARIO

MEDJET IS THE PREMIER GLOBAL MEDICAL TRANSPORT, TRAVEL SECURITY AND CRISIS RESPONSE MEMBERSHIP PROGRAM FOR TRAVELERS

Unlike travel insurance, platinum cards and business travel accident policies, which typically only transport you to the “nearest acceptable facility,” Medjet gets its members to a hospital of their choice at home. There are **no “medical necessity” clauses, no deductibles, no claim forms and no monetary caps** on air medical transport costs. For travelers under age 75, there are **no medical questions** to enroll or preexisting condition clauses. Medjet memberships provide travelers with unrivaled control over their health and safety. Covid-19 Transport is now covered **at no extra fee**. Benefit details are available at [Medjet.com/COVID](https://www.medjet.com/COVID).

As a **MEDJETASSIST** member, if you are hospitalized internationally or domestically – 150 miles or more from your primary residence – Medjet will arrange comprehensive medical transportation to your home country hospital of choice for inpatient care. Medjet’s services are bedside-to-bedside and include all medical care during transport. Membership is applicable for individuals and families with a primary residence in the U.S., Canada or Mexico.

MEDJETHORIZON includes all the medical transport benefits of a MedjetAssist membership, *plus* worldwide travel security, crisis response and evacuation services. MedjetHorizon protection offers a 24/7 travel security network and consultation services for in-country response to a broad range of crisis events while traveling, including: Violent Crime, Terrorism, Natural Disaster, Political Threat, Pandemic, Wrongful Detention, and more. *Travel Security | Powered by FocusPoint International*
