

# MEDJET MEMBERSHIPS

Travel Protection. Elevated.

**MEDJET** is the premier global air medical transport and travel security membership program for travelers. Accidents, illness and safety concerns can happen anywhere. **Medjet can get you home.**

**MEDJETASSIST** provides and pays for hospital-to-hospital medical transfer of a member if injury or illness occur during domestic or international travel, more than 150 miles from home. Unlike health or travel insurance, which typically transports to the “nearest acceptable facility” if “medically necessary,” a Medjet **Member is transferred to their home hospital of choice**, regardless of medical necessity, for the cost of the membership and nothing more. With medical transport costs ranging from **\$30,000** to over **\$180,000**, why risk it?

**MEDJETHORIZON** includes all the renowned medical transport benefits of a MedjetAssist membership, plus worldwide travel security, crisis response and evacuation services. Members have access to our 24/7 travel security network for in-country response to a wide range of safety concerns and threats while traveling including terrorism, natural disaster, political threats, violent crime and wrongful detention. These safety concerns are sadly a growing reality for today’s traveler, even in places once considered “safe.” MedjetHorizon can respond as soon as a member feels uneasy; there is no need to wait for government issued hard triggers or evacuation orders, which most travel insurance policies must wait for. Covering: Natural Disaster, Disappearance, Kidnap for Ransom, Violent Crime, Political Threat, Terrorism, Wrongful Detention, Blackmail & Extortion, Hijack, and Pandemic.

**Jim Dobson, Forbes**

“I discovered Medjet a few years ago and have purchased a membership every year.”

**Peter Greenberg, Author/Travel Editor,  
CBS News**

“Medjet does the best job for one very important reason. The fine-print disclaimers that you’ll find in travel policies are virtually eliminated ... I strongly advise you to consider this.”

**Jena Gardner, President, JG Black  
Book of Travel**

“Medjet is a no-brainer as far as I’m concerned. Travel is my business; I travel almost constantly and I wouldn’t go on a trip without them. I’ve seen Medjet in action and it’s like having family take care of you.”
